How to Play? You want to start playing this 5-reel slot, but you do not know how? Just press the

Play button and win money through spinning the reels. You win, when one of numerous winning combinations appears on 25 active win lines. You can change the number of pay lines to make playing more challenging. All wins are paid from left to right, except Scatter. You have an opportunity to select the number and value of coins to define your bet. Your total win depends on that bet, so it is quite important option. If you want to make a fortune, you can try Max Bet feature and increase your chances for a good win. Finally, there is also the Big Bet mode, which will cost more to activate but instead of five paylines, they player will get 27. This obviously greatly increases the chances of winning. The newer pokies may be getting bigger, and be jammed with tons of bonus options, but for me, nothing beats the feel of the 3-reel, and I know that Royal Vegas has me covered in that regard. free spin poker deuces wild

Gameplay The developers attached several bonus features to this video slot game which make the play more exciting and attractive. Three or more Scatter symbols must be matched in order to launch free spins. At the beginning of the Wisdom Free Spins bonus feature you will be proposed to select one of the three wise monkeys. The chosen wise monkey awards you with the certain number of the free spins and becomes the Wild symbol till the end of the bonus game. Additional Wild symbol also can be awarded. During the bonus game the Wild Wise Monkey and the additional Wild symbol appearing on the reels become locked into place and stay there till the end of the feature. The common Wild symbol and the Locking Wild symbol can substitute for any symbol during the game, except for the Scatter symbol. All the symbols belong to the fauna. The animals with catching and funny face expressions add some ease and artlessness to the atmosphere of the game. The Lion Symbol belongs to the Wild Symbols. This symbol substitutes any symbol that is necessary for winning except the Scatter symbols. It also doubles your win. The Elephant Symbol is a Scatter Symbol. Three or more such symbols trigger free spins. Wins are tripled during this feature. Only the maximum win is paid on each active payline. Among the other symbols one can find rhino, hippopotamus, monkey, zebra, hyena, ostrich and others. Each of them has its own value and depending on the number of the similar symbols you win the definite amount.
