Features and Symbols: Different well-designed symbols of this online slot machine will make your day better. Various soldiers, officers and useful thing will pay you from 2 up to 3000 coins for having 2-5 symbols of one kind on the win line. What is more, Wild card replaces any symbol on the dashboard (except Bonuses) and helps to form more winning combinations. If Wild is a part of several winning combinations, it chooses the one, which pays more. Free spins are triggered by 3 or more Scatters anywhere on the screen. They will give you 5-15 free spins, which are played automatically. Bonus game round will entertain you as well. You have to choose targets, shoot at them and get an award. Another symbol with the potential to award some big prizes is the scatter symbol, which is easy to identify: it has the word SCATTER written right on it! If you hit three or more of these symbols anywhere on the reels, you'll instantly win a prize worth up to 50 times the amount you wagered on the triggering spin, or up to 450 coins in total if you've played all nine paylines. Beyond the scatter and wild symbols, though, there are no additional bonus rounds. Rounding out the game selection is a series of keno and scratch off games. The keno games all work in a similar fashion, though there are different themes; you'll pick numbers, trigger a game, and watch to see if your numbers match those that are selected. In the scratch off games, you'll pull cards and scratch them off (or have the computer do this automatically, if you'd like) in an effort to reveal prizes. win real money instantly
