Ned and his Friends slot ruins the myth about rats, that is, it shows how kind and friendly rats can be. They aren't always mean pests destroying your homely idyll atmosphere. You know, you can actually pet them. You can be friends with them, and the coolest part is: you can sing with them! Not a bad casino I'm not mad about the the games though but support was very friendly and the no deposit bonus was incredibly generous, I played the download version but it does Chow a lot of your hardrive up so I recommend trying the instantplay 1st to see wether you like it or not, a fun casino and with the generous no deposit bonus you should defenitly be able to get a feel for most of the games And hopefully even win a bit ;) The casino has opted for to use the latest Nektan software to drive the site, which certainly bodes well in our eyes. Why? Well if you have not played at a Nektan site before then you are in for a treat. bitstarz bonus codes 2018
