Top Cat is one of Pokies.com's first mobile-only games. For most of our members this doesn't matter, as more players prefer to play on their tablet or phone instead of a computer, but if you are one of the desktop players note that Top cat can only be played with a modern mobile phone or a tablet (iPad, iPhone, Android, Windows). For more information see the mobile page. Dish of the Day: The site will give away a Dish of a Day special every day until January 1st. Some days will feature double bonuses, while others will offer festive free games. There are several types of wilds: Expanding wilds, once activated, take up the whole reel, turning all the symbols on their way into wilds. Sticky wilds keep their place for a number of spins, giving you a chance to win more frequently. A subtype of sticky wild is the shifting wild, which travels horizontally across the reels during every spin, and eventually disappears. Finally, stacked wilds fill up the whole reel by popping up one on top of the other. That's it at the moment. But if you look how fast the gambling industry develops, you'll agree that we might be checking out some brand new features pretty soon! free slots 12345
