A lot of the tales about Troy and Trojans are centred around the war and IGT's Treasures of Troy slot is absolutely no different. It takes many aspects from the battle of Troy and cultural features from the mythology. The fascinating soundtrack during the base game is interrupted by the voice of Helen which you can hear when you win. The game consists of symbols like Roman soldiers, Paris of Troy, Helen of Troy, Menelaus, and Achilles Sword, and the graphics is done in old-fashioned way so that you can remember the old-school computer games.
