If we ask you what's the most popular name in the comic industry, we can bet it's gonna be Marvel. The Marvel heroes have become legends and the company's products are getting more and more popular. While it has all started with the comic books, now we have movies, TV series, toys, posters, computer games and, of course, online casino games. Marvel slots take the significant part of the industry and have their devoted fans from different ends of the world and there are a few reasons for it. First of all, Marvel is a trend and playing Marvel-themed slot games is a way of following this trend without even leaving the house. And, secondly, these video slots are very entertaining and there is a wide list of games that you can choose from. It's all actually fair simple and begins with up to 6 players congregating in a community room, with all the individual slots visible to everyone else. The game itself is a 5-reel, 40-payline slot with Egyptian themed graphics. It also comes with a Free Spin feature, as well as multiplier and Wild symbols that can trigger some nice extra winnings. Where it all gets really exciting though is when one player hits the bonus feature; that sets it off for all the other players in the room, with the race on to grab the huge 100,000 coin jackpot. The first (and possible most important) factor in choosing an online slot is the payout percentage. This is basically the theoretical percentage of return that you can expect to get from a slots game over time. It's also known as the "return to player" or the "house edge". The higher the payout percentage the better your return will be from the game the more you play it. Not all online slots providers or casinos list the payout percentage of their slots, but it's worth reading the description of the game to see if it is given, so that you can have an idea of which games give the higher return. The games selection is a definite perk for this particular online casino. With offerings from online baccarat to live casino interactions, you will

soon see that your choices are vast. Furthermore, they offer a selection of various licensed Marvel Comic pokies, giving you the ability to game with the comic greats. You will also be able to play your hand in video poker, online blackjack and various versions of roulette. fenikss latvia
