Basically, multiplier feature in online slots doubles, triples, or increases your wins up to x1000. Of course, the actual figure depends on the slot game and your luck. While some multipliers may have definite rules, all described in the game info, others may seem rather complex. Also, there are multipliers increasing your wins, whilst another type of multipliers increases either the line bet, or the total bet. During the re-spin, there is the possibility of a Starburst wild making an appearance again, in which case it expands as well and joins with other Starburst wilds that have already been expanding to trigger yet another re-spin. This continues until there is no new Starburst Wild appearing during a re-spin. What would we do without music? It's a universal language that connects us no matter our background, ethnicity, age or race. More than that, music can actually increase your memory and verbal intelligence. Research also shows that we retain more by what we see more than what we read. SportsBet Australia offers some of the most unique "specials". For example, if you like betting on the NBA, they offer a "choke special". This means that if your team is winning after three quarters, but they choke and lose the game in the fourth quarter, they refund your bet! In addition to the choke special, they have often been known to refund punters who were straight up "robbed" by extenuating circumstances.
