Currently there are only four progressive jackpot games available at Rival Gaming casinos, namely Major Moolah, Money Magic, Strike Gold and One Million Reels BC. The main reason for this is that they are still new in the business. In addition, the jackpots a kind of small compared to the jackpots of the other software brands on the Internet. Major Moolah, for example, is a 3 reel, three coin slot game. Each coin is worth \$1. To hit the jackpot, players must place the max bet of \$3. The progressive jackpot often hits more small and medium sized wins, therefore, the slot is more fun to play and slightly better than the other progressives. However, the other jackpot games can be pretty generous. In fact, the biggest win of \$299,673 was hit on Money Magic slot, so all progressives are worth playing. Over the last few years all the slot games developers that consider themselves progressive have begun developing online slots using HTML5 technology to enable the products function flawlessly in any browser, and, of course, improve users' graphical experience through the ability to employ richer visual effects.
