You should realize that Costa Rica does not issue regulated gambling licenses, but rather normal business licenses to gambling operators. That is not to say, however, that all casinos "licensed" in Costa Rica are rogue. It simply means that you should take more care to check out the reputation of an online casino that is not licensed in a respected jurisdiction. Quite a number of casinos on the Internet accept wire transfer / bank wire. The method is very reliable, and there are very rarely cashbacks. It is also one of the most convenient means of paying out player withdrawals. Casino operators often give alternative payment bonuses to players who load their account via wire transfer or bank wire. One major plus of non-bank wire transfers of making online casino payments is that they can generally be used by US residents. Another plus is that bank wire transfers can be used, upon proper proof of identity, to deposit large sums of up to
