Simba Casino is one of the lesser-known casinos, and, coincidentally, dutch. However, that does not mean I will instantly approve this casino out of nationalistic pride or anything at any time soon. Frankly, the casino is very annoying & . The games are nothing new, the promotions are not for the haunted souls who really want to make money out of them. It looks good enough and is good enough & . But that's all that really. at best, pure and recognizable at worst.....:) Frankly speaking, the slot's graphics leaves much to be desired. Seasoned gamblers will understand what I mean. Moreover, you can't enjoy any bonus free spins here. But anyway, the game's pretty entertaining and it contains great features, so you could give it a try for fun. Don't
