Technically, multipliers increase your winnings. They have different values. A pokie can contain a 5x multiplier which will increase the winnings 5 times, or a 2x multiplier which will double the winnings. Multipliers work a little like a wild symbol as it replaces other symbols in winning combinations. Special terms and conditions may apply. Free chips or free spins often come with no strings attached, but casino bonus codes for free money are a different story. Usually you will be required to wager a certain amount before you can cash out. For example, if you receive a \$100 match bonus with a minimum wagering requirement of 25 times, let's say, that means you need to wager at least \$2500 in order to cash out your bonus. Also, many codes may not be used more than once or not in conjunction with other promotions. Limited time promotional codes will have expiration dates. Each casino is obliged to post its terms and conditions, so have a look at these for details. There are also two special symbols that can both win prizes and trigger bonus features. First, there's a tackle box symbol that acts as a scatter. This symbol can earn you up to 100 times your initial bet if you match five in a row. In addition, hitting three or more of these symbols will also earn you 15 free spins. During these free spins, you'll have all of your wins doubled, and you can also re-trigger the free spins game at any time. Spartacus slot machine

If you're new to the world of pokies then I would suggest, just as I did at first, to test the game out a little. One could do this by betting very slowly. You don't need to whip out a huge amount of cash to play with, build up your credits and then you are set to play. But the MRC are seeking approval to alter the conditions of their marquee race in a move which would revolutionise the Melbourne spring.
