When you play free Australian pokies, you have to match a number of symbols on the reels for you to win prizes or coins. Different games have a number of paylines that you can wager on when playing real money pokies. If you're playing a payline-based game you'll need to place bets on the paylines that you wish to enable. If you're playing a 243 Ways to Win game you place your bet on the spins and aim to complete combinations. On every type, technology, theme or feature you will see a separate page at SlotsUp.com, dedicated to each subject. It will not only contain explanations of how things work or what the difference between the features is, but it will also list free online slot games exactly according to their type, theme, technology, feature etc. The Wild symbol shows a bearded wizard wearing a Harry Potter style hat, and it replaces all other symbols except for the Scatters. The payouts from winning combinations created with the help of the Wild are doubled, however, this doesn't include the wins with only Wild symbols. Best mobile casino Australia
