Get ready to dive into the exciting space world with amazing video slot Starbars developed by 1x2 gaming casino software provider. It is obvious that theme of this casino slot is based on the well-known movie Star Wars. You can see this from the very intro of the game. Although this slot is placed in the galaxy, it has usual 3 rows and 5 reels with 9 pay lines. What is so special about Starbars? Everything. Symbols are characters of the famous movie. However, they look different and do not remind Princess Leah, Darth Vader, Luke Skywalker or Han Solo. They all are designed in a cute cartoon way and their animated images look extremely funny. They are extremely generous and pay you up to 1000 coins. You won't see usual Wild and Scatter cards in this mobile slot machine. There are Scatter Wins and Combos instead of them. We have 2 Scatter Wins: Bar, which pays up to 300 coins, and Double Bar that gives you from 30 to 750 coins. You have 18 opportunities to get a scatter prize. To get a Combo, you need to have such sets of characters as heroes, sidekicks or villains. For example, if you get Hans, Lucas and Leah on the

pay line, you will win 3x on your stake. One more symbol is Disco star. This card initiates bonus game, but only if you have it on the central reel. You will see all characters on the dance floor in this bonus game and you should choose one of them to get your prize, which is high enough. All 1x2 gaming demo games have pleasant and enjoyable music. Here, we can hear a soundtrack to another famous movie. You do not have to be Star Wars fan to fall in love with this casino machine. You can choose 1x2 gaming's Starbars slot game from the list at SlotsUp.com and play it for fun or for real. Zu guter Letzt möchten wir Ihnen auch die Angebote mit weniger als 20 Freispielen für Starburst nicht vorenthalten.
