This is the game where players have the option of surrendering, which means they lose half their wager automatically, instead of losing the whole wager on a loss. Surrender is a rule which allows people to lower the house edge if they know what they're doing. Since most don't understand when to surrender (and do so too often), novice players lose more money on this game than they should. Certain situations offer you less than a 50/50 chance of winning. jackpot city withdrawal requirements
