If you want to activate a certain feature you've read about in the game's payable, you'll have to spin into a certain number of scatters. When the lucky spin occurs and you end up with the required combination, the special feature will start. The most frequent feature triggered by scatters is the free spins (normally you would need 3 scatters in a particular position, anyway, the rule varies), but it actually depends on the game whether you get a round of spins or something different. Whatever you unlock will be a pleasant bonus to your payout and a huge entertainment! Withdrawals are processed within 24 hours. E-wallets take 1-2 days to arrive, while Bank Transfers take 3-7 days. Players can also cash out their winnings via Cheque, which can take 2-3 weeks to arrive. The developer included standard features into this free slot – Wild, Free Spins and Bonus Game.
