Single colours – At least one of the three dice shows a particular colour. Pays 1 to 1. (Note: Unlike a single number bet, this wager offers no bonuses for a colour hitting more than once. For example: if you bet on blue and it shows up on all three dice, you only get paid 1 to 1.) The Indonesian gambling market is one of the most restricted gambling markets in the world but it hasn't always been like this. Thanks to the Chinese influence on the country, the first simple gambling activities like coins or card games appeared in Indonesia more than 700 years ago. The games were quite popular in the IDR casinos of that times but everything changed in the 14th century when the Islamic religion became widespread across the country and got into the conflict with the country's views on gambling. Licensed online casinos will have their licensing body's seal of approval on their website. So, this is easy for punters to determine. Licensing bodies such as eCOGRA and the Malta Gaming Authority also monitors and audits different aspects of online casinos. This is done to ensure that games are fair and players are protected. Licensing bodies also check that operators comply with regulations; while being honest and responsible. 888 promotion code poker

A rule available on some European games and all French versions, "en prison" (literally French for "in prison") alters the way even-money bets are handled. If a gambler loses an even-money wager because the ball landed in the green 0 slot, they have the option of retaining half of their wager or leaving their money "in prison" for the next spin. The result of the next spin determines the outcome – a gambler whose imprisoned wager pays off gets back their entire bet (without any additional winnings), but if an imprisoned bet loses the entire wager is lost. Games with this rule give the house a smaller advantage. Money blast app download
