Remember, it's not safe to share your payment details with any resource unless it's a legit online casino owning a valid license on proceeding gambling activities. We can also use prepaid deposit options if we wish to avoid sharing any personal information such as bank or card details online. St. Helena took the top of the list for search interest by region at 100, which again is interesting considering the small population on the island. After St. Helena, we see a dramatic decline in search interest. While a few familiar names crop up in the list of top 10 regions with the most search interest, there are a few differentiations between 'online slots' and 'online gambling'. Firstly, Latvia appears on the list for the first time, overtaking South Africa, Australia and Ireland, and the United Kingdom sits at fourth on the list. The top 10 is as follows: St. Helena, New Zealand, Georgia, United Kingdom, United States, Canada, Latvia, South Africa, Australia, and Ireland, bingo games
